## IS RUN OVER BY HEAVY MACHINE

Granville Miller, Carthage Liveryman is Badly Hurt in Accident There This Morning.

### MAY BE INJURED INTERNALLY

Touring Car Driven by Riley Alexander Strikes Miller in Back—Is Held Unavoidable.

Granville Miller, the Carthage liveryman, was knocked down and run over by an automobile driven by Riley Alexander, living between Carthage and Arlington, in front of the Ed Henley grocery store in Carthage this morning. Miller was very painfully hurt, but the exact nature of his injuries can not be determined yet. He may be internally injured although the attending physician, Dr. J. C. Sipe, has made no statement to that effect.

The liveryman was leaving the Henley store and was crossing Main street, intending to go to the Pierce grocery store across the street, when the accident happened. The Alexander machine struck Mr. Miller squarely in the back and knocked him, face forward, to the street. Both the back and front wheels of the machine passed over Miller's right arm and shoulder. He was rendered unconscious for a brief time.

Miller was picked up by Dr. Sipe, Mr. Henley and Mr. Alexander and carried to his home. There the physician found that Mr. Miller could not raise his right arm and that he suffered with severe pains in his right shoulder. The body was badly bruised. Dr. Sipe said that he could not tell to a certainty whether or not the victim was internally injured until he had recovered from the shock incident to the accident. There is every reason to believe that he is badly hurt.

Mr. Miller attaches no blame to Mr. Alexander who drove the car. He says that he did not see the car, and Mr. Alexander declares that he did not see the liveryman. It was purely an unavoidable accident, according to witnesses to it. Mr. Alexander drove a big five-passenger touring car, which weighs about twenty-five hundred pounds. He was planning to stop his machine in front of Henley's store and for that reason was not driving at a very great rate of speed. Had he been driving very fast, it is likely that Mr. Miller would have been killed or hurt beyond recovery.

## CALLS ON FATHER'S FRIEND

Mrs. Robert Mansfield Remembers "Lieutenant" While in New Castle.

Sam Vance, the well known citizen of New Castle and a former marshal was Wednesday visited by Mrs. Robert E. Mansfield, daughter of "Uncle Jack" Gowdy of Rushville, says the New Castle Courier. Mr. Vance greatly enjoyed the call of Mrs. Mansfield and thoroughly appreciated her thoughtfulness. He is in a somewhat feeble condition from the ravages of disease. When Jack Gowdy began his political career in Rush county, which finally led to a reputation of nation-wide proportions and which resulted in his being appointed consul-general to Paris, Sam Vance was one of his chief lieutenants. Mrs. Mansfield remembering his services to her father, called on Mr. Vance and paid her respects.

## J. C. BUSH IS PRESIDENT

Connersville Man is Honored at the Dancing Masters' Convention.

Prof. J. C. Bush and wife have returned from Altoona, Pennsylvania, where they attended the Seventh Annual Convention of the Dancing Masters of America. About 100 were present besides their wives, says the Connersville News. Prof. Bush won special honors not only by being chosen president of the association, but with three dances designed by himself and wife, namely the "American Minuet," the "Cadet Fourstep" and the "Empress Glide." Moreover largely through Prof. Bush's influence, the next annual convention

## SCHOOL HOUSE BIDS REJECTED

After Long and Drawn Out Session, Noble Township Trustee and Advisory Board Act.

### MUST GO OVER SAME PROCESS

Only Thing They Could do and Still Act Legally—Estimates Exceed Appropriation.

New Salem will not get its new high school building in place of the old structure for some time yet, from present indications. After a long and drawn-out session in Sparks & Gary's law office yesterday afternoon the advisory board and Edgar Morris, trustee of Noble township, rejected all estimates on the building as they exceeded the appropriation which is twenty-five thousand dollars. The two lowest bids together with other work that will be necessary amounts to much more than the appropriation.

Since all bids were turned down, it will be necessary for the board and trustee to go through the same program again. It will be necessary to advertise for and receive bids according to the law. At the meeting yesterday no time was set to advertise and receive estimates and it is not known just when the matter will be taken up again.

The board and trustees attempted to cut down the expense of building by taking some of the work off of the building so that it would be within the appropriation but they found that impossible. The low bidder on the building with the low bidder on the heating and ventilation, conferred with the board and trustee for some time, but no agreement could be reached.

The low bid on the building was \$22,979, made by Wolfe & Ewing of Indianapolis. The low bid on the heating and ventilating was \$2,993 and was made by the W. H. Johnson, Son Company of Indianapolis. The total amounts to \$25,792. That alone is more than the appropriation. There were no bids made on the plumbing, but it was estimated that that would cost about \$400. Besides that there are incidental fees including those of the architect and superintendent of construction which it was expected would amount to about \$1,200. That would make the total far above the appropriation. The law provides that the cost of plans and specifications and supervising shall not be more than five per cent of the cost of the building.

The advisory board considered allowing the structure to be built by the lowest bidders and increase the appropriation, but they had another problem to face and soon found that would be an impossibility. The law provides that a township shall not be assessed more than two per cent of its taxable property to build a school house. The two per cent limit is only \$1300 above the present appropriation which would not be enough to pay for the building according to the present estimates. It was pointed out that this year's assessment, when it was completed, might show more taxable property, enough to make up the deficiency but the board and the trustee were afraid to take that chance.

### DRIVER IS HURT.

A colored man, whose name could not be learned, was painfully injured when he drove his team on to a lot in North Harrison street, where Charles Francis's new house will be built, and the wagon broke down. He was caught between one of the horses and the bed which slid from the wagon.

## VISITORS COME TO VIEW LIGHTS

Representatives From Seven Different Cities Visit Rushville to View New Pedestals.

### ARE GRATIFYING EXPRESSIONS

Richmond Business Men and Officials Here—Request For Plans and Specifications.

The new cluster lights have put Rushville on the map.

Not that Rushville was not on the map before, but the sidewalk decorative lights have attracted people here that would never have been in Rushville had it not been by the lights. That assertion is proved by the fact that committees from no less than seven prospering Indiana cities have been here within the last week to view the lights. That seven includes New Castle.

The fame of Rushville has spread far and wide. The installation of the new lights here has caused many other Indiana cities to consider the well lighted streets and also the decorative features of pedestal lights. They have been considered in other cities for some time, but Rushville was the first among the cities to install them.

The last of the seven cities which have been represented here by committee was Richmond. A number of representative business men and city officials were here yesterday to view the lights and to confer with A. T. Mahin, superintendent of the city water, light and power plant. They requested plans and specifications on the lights and wished to know something of the first cost and the cost of installation. They also inquired after the methods which were used for defraying the expenses of the unique improvement.

The Richmond committee was headed by Mr. Bailey, superintendent of the Richmond Telephone Company. He said, as did other members of the committee, that plans were being made to install similar lights in Richmond and that, since they had heard of the Rushville lights they visited this city to see them. All of the committee expressed the opinion as being well pleased with the lights here. They said that such lights not only serve to light the city as nothing else will, but they also decorate and wonderfully help the looks of the city. Accompanying the committee was Otto Klone, one of Richmond's leading business men. He was highly pleased with the appearance of the business district.

Other cities which have been represented by committees of business men and city officials are: Greenfield, Seymour, Lawrenceburg, Vevay, Franklin and New Castle. In every case the members of the committee complimented the city on the display of so much thrift and industry. Each of the cities represented is considering the installation of similar lights and for that reason sent committees here. They inquired after the local organization and tried to account for the remarkable improvement for a city of this size. It was pointed out that Rushville has a live business men's organization.

Not only have committees from other cities visited here, but many have been the inquiries which have been mailed to Rushville to get the cost and the plans and specifications of the new cluster lights. Numerous cities have asked Superintendent Mahin for figures with a view to installing similar lights. Mr. Mahin has a copy of plans and specifications on hands at all times and whenever a request is received he mails one at once.

## WILL BE HERE FAIR WEEK

G. Carlton Guy Players is Rejuvenated Stock Company.

The rejuvenated Guy Stock Company, which is now known as the G. Carlton Guy Players, if you please, will appear here the week of August 21, which is the time for the annual fair, on the old base ball park, south of the city. That announcement was made by the advance agent here yesterday evening. He says the company has a new tent, new seats and a new repertoire of plays this year. It is playing in Kendallville this week, will be in Ligonier next week and will appear at Albion the week of July 10.

## MANY AFFILIATE WITH CHURCHES

Converts From Recent Revival Join at Regular Prayer Meetings Thursday.

### THIRTY-FIVE ARE BAPTIZED

Ministers Will Welcome New Members at Sunday Morning Service—Others to Join Yet.

Those people who were converted at the tabernacle meeting which closed Sunday night and who were not received into the various churches in the city last evening at the regular prayer meeting service, will affiliate with the church which they have signified on their cards at regular hour of worship Sunday morning or evening. That announcement was made at the close of the meeting Sunday night and the same program will be carried out. A number was taken in to the churches last evening.

At the St. Paul M. E. church the Rev. J. W. Turner conducted the regular prayer meeting last night. A number of the converts from the last meeting was taken into the church with the eustomary ceremony at that time. Sunday morning he will preach a sermon, welcoming the new members into the church. At that time new members will be affiliated.

At the Main Street Christian church last evening a sermon was preached by the pastor, the Rev. Cyrus Yocum, instead of the regular prayer meeting being held. Thirty-five new members were baptized, seven were received by letter and two by statement, who went forward at the revival, but never signified any church preference on the cards given them. Twenty-five more new members will be baptized at the regular hours of worship Sunday, when it is hoped all new members will be joined with the church.

At the First Baptist church a preaching service was held by the Rev. Mr. Jeffers last night and the converts who had signified that church were taken in. Others will be received Sunday at the regular service hours.

At the United Presbyterian church last evening the regular prayer meeting was held and new members were united with the church. Sunday morning the Rev. A. W. Jamieson, pastor, will preach on the subject, "The Privileges and Prospects of the Christian." At both services Sunday new members will be affiliated with the church.

At the First Presbyterian church last evening the same program was carried out when new members were received at the prayer meeting. Other converts who have signified their preference for that church will be taken into the church at the service Sunday.

## FAME OF FLYING SQUADRON SPREADS

Unique Advertising Methods First Adopted For Local Chautauqua is Used Elsewhere.

### GREENSBURG LIKES THE IDEA

The fame of the "flying squadron" is spreading. That term was first originated here for a number of automobiles which went about the county advertising certain events that were to be held in Rushville. A member of one of the chautauqua committees thought of the idea as a clever one for advertising the annual assembly. The use of many automobiles was loaned and large crowds visited the various towns in the county, where the chautauqua was explained in short speeches made by Rushville men. A glee club was carried along to furnish music. The merchant took up the idea in advertising "Big Wednesday" and worked it with success.

Connersville liked the idea well and has since used it in advertising the May festival. Now comes Greensburg with a "flying squadron." They have organized one to advertise their first chautauqua which will begin there tomorrow.

## CITY COUNCIL IN SPECIAL SESSION

Grant Permission to First Presbyterian Church to Construct Cement Sidewalks.

### REGULAR MEETING NEXT WEEK

The city council met in special session last night. The most important business transacted was the granting of permission to the Presbyterian church and the property owners in Buena Vista avenue to construct cement walks. Work had been started on the new walk around the church, but no permission had been secured and this was primarily the reason for the special meeting.

An arc light was ordered installed in East Fifth street, back of the Catholic church. This section of the city is very dark and the new light will be a great improvement. A new light will also be placed in Market street on request of the property owners.

The regular meeting of the council comes on Tuesday night and this being the Fourth of July it was decided to meet some other night, the date to be decided later. The salary of the city employees was allowed at the meeting last night.

## FRACTURE PROVES FATAL

Mrs. Mary Gilson Dies at Home of Daughter in Mays.

The funeral services of Mrs. Mary J. Gilson were held this morning at 10:30 o'clock at the Center church. Burial took place in the church cemetery. Mrs. Gilson was eighty-five years old and was a pioneer resident of this county. Wednesday morning she fell and broke her arm and because of her advanced age never recovered, passing away at the home of Matthew T. McBride in Mays Wednesday night. She is survived by one daughter, Mrs. Matthew McBride.

## NEW ORDINANCE IN NOW IN FORCE

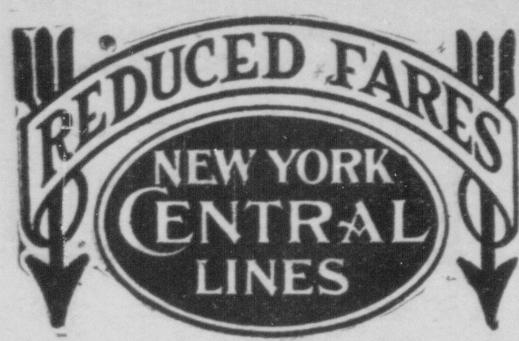

Vehicle Law, Recently Passed, Will Be Enforced to the Fullest Extent by Police.

### WILL GIVE ONLY ONE WARNING

"Hey, there! Drive to the right and keep there and don't let me catch you on the left side again or you will be pulled," or "take that horse and rig (or automobile, as the case may be) and turn around so as to be on the right side of the street. How many times do I have to tell you not to get on the left side." These and many other commands are now due from the police as the vehicle ordinance recently passed by the city council is now in force.

The vehicle ordinance was passed by the city council at the last regular meeting and has been published according to law and went into effect this morning. The ordinance provides that all vehicles must keep to the right and shall not stop on the left side of the street. It is intended to prevent accidents and put a stop to the congestion of traffic.

The police expect considerable difficulty at first, to make the people understand the law but intend to enforce it to the fullest extent. They do not intend to tell the drivers of vehicles only once what to do and then if they violate it the offenders will be arrested. The penalty provides for a fine of not more than \$50 and not less than \$1 to which may be added 130 days in the county jail.

**ECZEMA**

One of the Most Stubborn and Annoying of all Skin Troubles, Now Being Eradicated by SulfoSol.

The word eczema means to "boil out" It is a catharral inflammation of the skin, showing a red, irritable, raw-looking fluid excluded surface, which on drying forms scabs. It is difficult to cure permanently, unless taken in hand at once, for in those subject to it it recurs readily whenever the skin is exposed to irritation. If you wish to cure eczema, purify your blood. This can be done by the use of the world's one great remedy for the blood—sulphur. Foremost among the wonderful medical discoveries of late years is SULFOSOL, the purest of sulphur and soluble in water.

SULFOSOL is Nature's gift to a large portion of humanity suffering from eczema, rheumatism, gout and all forms of blood taints and skin diseases. Get SULFOSOL of your nearest druggist or write to SulfoSol Co., 72 Trinity Place, New York, for free book on rheumatism. Blood and Skin Diseases and the successful use of SULFOSOL.

Who Reported on Monopolies  
Held by Steel Corporation.SURPRISE TO  
THE DEFENSESensational Turn Taken In the  
Knotts Trial.

## COURT ADMITS AFFIDAVITS

These Instruments Executed by Dog Face Charley and Diamond Bill Frazier While In Jail Alleged That Mayor Knotts Was the Instigator of Violent Deeds That Marked the Last Election at Gary and Issued Orders.

Gary, Ind., June 30.—In the case of Mayor Thomas E. Knotts and other officials of the city the prosecution sprang a surprise in introducing two affidavits executed by Mike Yoconovic (Dog Face Charley) and Diamond Bill Frazier, while they were in the Crown Point jail. The cases are on trial at Valparaiso before Special Judge Hanley of Rensselaer. The defendants are accused of conspiracy, and the charges are the outgrowth of the election riots last November and the alleged attempt to kill Sheriff Grant of Lake county.

In the affidavits Dog Face says Mayor Knotts instructed him to kill Sheriff Grant and Alderman Bowser and to break the ribs of Alderman Szymanski's son Bolice. Frazier told of the slugging of Alfred Jones, a newspaper man, and he accused Mayor Knotts of having given the order to do the job to Policeman Boasich.

Graft accusations against Mayor Knotts and Chief of Police Martin are also recited. Although the defense protested against the introduction of the affidavits, the court ruled that they should be admitted as evidence. The publication of the affidavits has caused a sensation throughout the county.

## The Situation at Gary.

Ever since the conspiracy cases began at Valparaiso several weeks ago, the city government has been practically at a standstill, as most of the city officials are either on trial or are in attendance at court as witnesses. All the five commanding officers of the police department are absent, and the force of thirty-five patrolmen is directed by members from the ranks. Some of those who have business at Valparaiso are living there during the progress of the trial. The others go back and forth each morning and night, and early every morning the big patrol auto conveys the indicted officials from the city hall to the Pennsylvania station. In the meantime the wheels of government are not turning freely, and Gary is enjoying the experiment, for if the police court docket is to be accepted as a criterion the city has been well behaved this month, whereas a year ago one in every forty citizens was arrested in each thirty days.

## AT THE LAST DITCH

Bader's Petition For Rehearing Denied by Supreme Court.

Indianapolis, June 30.—The supreme court has overruled the petition of Clinton Bader for a rehearing from his conviction on a charge of filing a false claim against Jasper county. He was convicted under the name of Charles Bader and was paroled by the governor pending appeal. A short time ago the supreme court affirmed his conviction, but he filed a petition for a rehearing which is now overruled. He will have to go to the penitentiary unless he is pardoned.

## ALLEGES ARSON

Former Owner Arrested Following Fire in Undertakers' Shop.

Jeffersonville, Ind., June 30.—James N. Teeple was arrested on a charge of arson made by Carl Bierach. The arrest followed a fire, a few days ago, when a carriage shed owned by Bierach and its contents, two hearses and fifty coffins, owned by James B. James, were destroyed with a loss of more than \$2,000. Teeple formerly owned the undertaking business, which he sold to James.

## He Feared Approaching Insanity.

Indianapolis, June 30.—Dr. John Quincy Byram, forty years old, a widely known dentist, a member of the faculty of the Indiana Dental college, and a writer of prominence in his profession, hanged himself in his laboratory. Fear of approaching insanity because of a nervous illness of two years' standing is believed to have been the cause of Dr. Byram's suicide.

## Held on Forgery Charge.

Evanston, Ind., June 30.—Lloyd F. Kiefer, who is charged with passing a worthless check here for \$100, was arraigned before Police Judge Gould and his case continued. Kiefer may be turned over to the Indianapolis police, who want him in connection with the theft in that city of an automobile.

Crack Illinois Reinsman  
Has Some Fast Steppers

CHARLES DEAN.

Charles Dean, the crack Illinois race driver, who is at the Indianapolis track with some fast trotters and pacers for the opening Indianapolis Grand Circuit races July 11-14, has developed some great ones in his day. Probably the two greatest are Minor Heir, 1:59 1/4, and The Broncho, the champion pacing mare.

## PENISA MAID IS FAVORITE

CHOICE FOR INDIANAPOLIS FREE-  
FOR-ALL TROT.

Seven Other Crack Horses Are Named  
to Start In Grand Circuit Event  
July 11-14.

Indianapolis.—Penisa Maid, 2:04 1/4, one of the fastest and gamest trotters that ever looked through a bridle, probably will be the favorite in the free-for-all trot at the Indianapolis Grand Circuit meeting July 11-14.

She by no means has a cinch on that event, however, as there will be an abundance of competition. Dudie Archdale, driven by the wizard Ed. Geers, is not to be overlooked. The pretty little black mare by Archdale, that had things all her own way last year, has grown bigger and stronger and she has done her work in a manner to indicate that she will be several seconds faster than in 1910. Geers has also entered Hailworth, 2:05 , in this event and there are also Spanish Queen, 2:07, and that wonderful old trotter, Country Jay, 2:05, from George H. Estabrook's Denver stable to be reckoned with. Dick McMahon, of Libertyville, Ill., has also named his fast mare Bracegirdle, 2:05 1/4, while Knapsack McCarthy, of Terre Haute, will go to the post with Nancy Royce or Oro, both of which are entered. In any event the winner of this race will know he has been to a masonry foundation.

It was the wish, by the way, to move the engines at such a time as would least interfere with drivers who wished to exercise their horses on the mile track. The locomotives have been overhauled and repainted and are pronounced by locomotive engineers to be as "smart as a whip," meaning thereby that they respond readily to the dictates of the men at their throttles. Assurance is given that when they meet on the afternoon of the Fourth, the speed of the locomotives, both of which will be under full head of steam, will be so great that the impact will be terrific.

Practically all of the arrangements have been outlined for suitably caring for President Taft and his party, when, on the afternoon of the 4th, he will attend the entertainment at the fair grounds, having accepted the invitation of the Associated Brotherhoods. He will be invited to speak at the fair grounds, as the present plans provide that he will spend practically all of the afternoon there.

The 2:15 class pace will also furnish some keen competition. Geers has named Akar, Judge Ward and Dixie Lou for that race; Lon McDonald will start Mattie March and the Mackenzie stable will be represented by either Joe Patchen II, or Vernon McKinney. Joe Patchen II, is touted as a sure two-minute pacer this year and Vernon McKinney went a mile last year in 2:04 1/4, so it looks as if the winner will be the horse that finishes ahead of the Mackenzie entry. Several other horses are named to start in that race.

All the noted drivers of the country will be at the Indianapolis meeting and there will be scores of others who are yet to obtain fame. Already there are more than 300 horses at the track and more are arriving daily. The Grand Circuit meeting promises to leave thousands of dollars in Indiana and Indiana that otherwise would not find their way here and good business men appreciate this fact.

Last Year for Geers.

The story is out that this will be the last year as a driver for Ed. H. (Pop) Geers, who is now at the Indianapolis State fair ground track with a big string of trotters and pacers for the opening Grand Circuit meeting July 11-14. Hereafter, it is said, he will devote his efforts exclusively to training. He is 65 years old and ready for the first step toward permanent retirement. No figure in the history of the turf has had such wonderful success with the trotter and pacer.

## Fast Geers Trotters.

In Lady Alice M. and Anvil, green trotters entered in the 2:20 class trot at the Indianapolis Grand Circuit races July 11-14 "Pop" Geers has two stake trotters that have attracted much attention this year. Both are entered in the Detroit M. & M., and the one that starts is likely to be favorite. Both are said to have been miles in 2:10 prior to June 1, which is fast work for green material.

## Joe Patchen II Fast Pacer.

Joe Patchen II, 2:17 1/4, now at the Indianapolis track in the Mackenzie stable, will start in the 2:15 class pace at the Indianapolis Grand Circuit races July 11-14 and he will show then whether he is entitled to be the favorite in the Detroit C. of C. stake, three weeks later. He is a touted two-minute pacer.

ENGINES READY  
FOR COLLISION

Locomotives Which Are to be Con-  
verted Into Scrap, Are on  
"Short Line."

INDIANAPOLIS CELEBRATION  
Motorcycle Races And Balloon As-  
cension Are Also on After-  
noon's Program.

The two locomotives that will meet in head-on collision at the State fair grounds at Indianapolis, on the afternoon of July 4th are now on the "short line" railroad, where they are to be converted from locomotives into scrap. The officers of the Associated Brotherhoods of Railroad Men in Train Service, which is to give the entertainment, heaved sighs of relief when the two locomotives, last Sunday afternoon, climbed the incline leading from the ground to the west, crossed the mile race track and steamed into the infield and upon the "short line" railroad. The relief was due to the fact that the incline consisted of rails laid on a cribbing of ties, and the locomotives weigh 55 tons each, but went up the grade and down the other side as steady as though the grade had been built on a masonry foundation.

It was the wish, by the way, to move the engines at such a time as would least interfere with drivers who wished to exercise their horses on the mile track. The locomotives have been overhauled and repainted and are pronounced by locomotive engineers to be as "smart as a whip," meaning thereby that they respond readily to the dictates of the men at their throttles. Assurance is given that when they meet on the afternoon of the Fourth, the speed of the locomotives, both of which will be under full head of steam, will be so great that the impact will be terrific.

Practically all of the arrangements have been outlined for suitably caring for President Taft and his party, when, on the afternoon of the 4th, he will attend the entertainment at the fair grounds, having accepted the invitation of the Associated Brotherhoods. He will be invited to speak at the fair grounds, as the present plans provide that he will spend practically all of the afternoon there.

There will be motorcycle races during the afternoon, with some of the fastest riders in the country entered, horse races, a balloon ascension and parachute leap, and various other forms of entertainment on the grounds, and on the 3d, there will be a general picnic with practically the same program as for the 4th, with the exception that on the 3d there will be no collision.

## HORSE NOTES

(Western Horseman.)

George O. Anderson of Rushville, Ind., reports that his mare, Lady Posey, 2:15 1/4 by Baron Posey, 2:21 1/4, dam May G., by Gambrel, 2:10 1/2, second dam Pansy H., by Haw Patch, third dam by Jim Monroe, recently foaled a fine colt by Zombro, 2:11. Lady Posey will not be bred this year, but will be given a chance next year to lower her record, as she has been miles in her races in 2:09 and 2:09 1/4, and has stepped halves in 2:01 1/2. A slight accident in her last race forced her retirement, but she is now fully recovered. Mr. Anderson also has a three-year-old filly by Raven Cress, dam by Arrowwood, second dam Yona, 2:17, by Gambrel, 2:10 1/2, that he is working himself. She recently stepped a mile for him in 2:38, last half in 1:18, and repeated in 2:36, last quarter in 34 1/4 seconds, at the pace.

What's so rare as a day in June? Answer; rare stake.

We see from over New York way Mrs. Edith Gambler wants a legal decree of separation from her husband, Victor Gambler. She should have never taken such a chance in the first place. But she probably never had any since he's Victor.

## AMUSEMENTS

The Portola will show for the first film an extra good Kalen drama, "A Day and a Night." The second picture is a Vitagraph, "The Spirit of the Light." In this picture Miss Florence Turner is featured. Charles VanCamp will sing the illustrated song.

The Palace will have the usual change of program tonight, showing a Vitagraph, "The Peace Offering." It is said to be a great picture containing many touching and pathetic scenes. Another good picture will also be shown. A new illustrated song will be sung by Charles Van-

Camp.

The Vaudet will show two comedies this evening which are said to equal any which have ever appeared at any local amusement house. "Crazy Gulch" is an American subject and is all that the name implies. The humorous situations and funny episodes abound. "Bud Nevin's Bad Man" is also a comic picture and is said to be very humorous. Leon Maxey will sing the illustrated song, "Not Tonight Josephine."

## CONSOLIDATED NOW.

It's now Davis & Kigin, consolidated. The two local veterinarians have joined forces and formed a partnership with offices at the Davis Brothers' livery barn. Dr. Davis is county physician for the Paxton, Eckman Chemical Company while Dr. Kigin devotes much of his time to attending to the local practice.

## Mrs. Joe Buschmohle

Mrs. Joe Buschmohle, age 26 years, who died a few days ago, was an earnest and sincere member of the Main Street Christian church. She was formerly Miss Eva Billings and had a host of friends all over the county, who watched her health slowly grow worse until she was finally carried away by death. She had been married only eight months at the time of her demise.

### READY FOR ROBBER TO APPEAR AGAIN

Residents in Northeastern Part of  
City Are Said to Have Formed  
Shot Gun Brigade.

## IS NO PLACE FOR A BURGLAR

It is said that the residents in the northeastern part of the city have banded together in an effort to catch the robbers who created such a furor one night recently by trying to enter six or seven houses. Every available weapon is now said to be doing duty and the person who does not know, would be under the impression that the neighborhood was under martial law. It is a safe bet that if the robber puts in an appearance he will surely get something that he doesn't expect. The shotgun brigade, according to all reports, keeps watch most of the night and it is not an uncommon thing to hear the command to stop and then after inspection you are allowed to go home. They are determined to catch the thief even if at the point of a gun.

## FIRE CRACKER IN MAIL BOX.

An over-zealous youth placed a fire cracker in a mail box in North Jackson street and it was found by Charles Brown after it had exploded. It so happened that there was no mail in the box and nothing was damaged. The postal authorities say that it is a penitentiary offense and that the person could be severely punished for such an act.

## VETERAN IS HURT.

Allen Butler, seventy-five years old, a resident of Morristown, was badly hurt by a fall from a cherry tree at his home Wednesday afternoon and his injuries are such that it is feared he can not recover. In the fall he broke the large bone of his right leg and was also dangerously injured internally. He remained unconscious for several hours after the fall, but was said to be slightly better today. He is a civil war veteran.

## NO DAMAGE IN CARTHAGE.

Carthage Citizen: No damage resulted in Carthage except to telephones from the storm Tuesday morning. The Carthage Telephone Company had about 100 phones out of commission exclusive of toll lines. Service was interrupted to Arlington, Rushville, Mays, Knightstown and Lewisville. Lines 61, 158, 87, 88, 89, 48, 96, 98, and A. and I were entirely out. The company had just completed five new lines and all of them were down after the storm. Van Hood owner, and Oran Henley are repairing the lines as rapidly as possible.

Lesson I.—Third Quarter, For July 2, 1911.

### THE INTERNATIONAL SERIES.

Text of the Lesson, Isa. xxxvii, 21-36. Memory Verses, 33-35—Golden Text, Ps. xvi, 1—Commentary Prepared by Rev. D. M. Stearns.

The story of Hezekiah is somewhat fully recorded not only in II Kings and II Chronicles, but also in the prophecy of Isaiah. A few weeks ago we were considering how he began his reign by preparing and cleansing the temple and by keeping the Passover for all Israel, summoning the twelve tribes thereto. He wrought that which was good and right and truth before the Lord his God, and he sought God with all his heart and prospered (II Chron. xxxi, 20, 21). Such devotion to the living and true God was more than the devil could stand, for all who will live godly in Christ Jesus shall suffer persecution (II Tim. iii, 12), so he stirred up the King of Assyria to fight against Jerusalem and by words and letters to mock and blaspheme the God of Israel and His people. To his blasphemy and revilings the people answered not a word, but held their peace, as the king had taught them (II Kings xviii, 36).

Thus did David, according to Ps. xxviii, 13, and thus did the Lord Jesus both before the high priest and Pilate (Matt. xxvi, 62, 63; xxvii, 14). "When He was reviled He reviled not again; when He suffered He threatened not" (I Pet. ii, 23). Hezekiah did with the wicked letter just what we all ought to do with such things—spread them before the Lord and unburden our hearts to Him about all such. I have personally proved this a way of peace more than once. If you do not receive wicked letters you will probably hear of wicked words that have been spoken against you. Just tell all to the Lord Jesus and leave all with Him.

Hezekiah's prayer at this time is a most refreshing study (II Kings xix, 14-19; Isa. xxxvii, 15-20). Note that his reason for asking deliverance was that all the earth might know the Lord. The prophet Isaiah also joined him in prayer in this his time of difficulty (II Chron. xxxii, 20). Hezekiah was thus able to speak to the hearts of the people because he was himself comforted by his trust in the Lord. "Be strong and courageous; be not afraid nor dismayed for the king of Assyria. There be more with us than with them. With him is an arm of flesh, but with us is the Lord our God to help us and to fight our battles" (II Chron. xxxii, 7, 8).

In the portion assigned us today we have the Lord's answer to Hezekiah through the prophet Isaiah. It becomes us to be sure that God answers prayer and, having committed our affairs to Him, leave all with Him in quietness even though we may not have as

speedy an answer as the King had. There is no resting place like the words of the Lord God of Israel. The Virgin, the daughter of Zion, hath despised thee and laughed thee to scorn (verse 22). When kings and rulers take counsel together against the Lord He that sitteth in the heavens shall laugh, the Lord shall have them in derision (Ps. ii, 1-5). When the Lord's people are touched in any way it is the Lord Himself who is touched. When the king of Assyria reproached and blasphemed the king of Judah he was really blaspheming the Lord, the Holy One of Israel (verses 23, 24). So it has been and shall be again and again until the last great blasphemer shall be cast alive into the lake of fire (Dan. xi, 36; Rev. xiii, 4-8; xiv, 19).

It is God Himself that the devil hates and would dethrone if he could and therefore shows his hatred toward the people of God, but hear the Lord as He says to him, "I know thy abode, and thy going out, and thy coming in, and thy rage against me" (verse 28). Then note what follows as to His assurance of deliverance and mark well the words, "The zeal of the Lord of hosts shall do this" (verse 32). Compare Isa. ix, 7, and be assured that the zeal of the Lord of hosts will not rest till the king shall sit on David's throne and reign over the house of Jacob (Luke i, 31-33). For His own sake and for His servant David's sake He will do it (verse 35). See how easily the Lord can overthrow His enemies and deliver His people. He has but to speak and it is done. The angel of the Lord went forth that night, and by His power 185,000 of the Assyrian army died. Thus easily did He overthrow Pharaoh and his hosts in the Red sea.

In Israel's last extremity, when the armies of antichrist shall be gathered against Jerusalem, He shall come in the clouds of heaven with power and great glory and shall consume with the spirit of His mouth and destroy with the brightness of His coming that wicked one and his armies (II Thess. i, 8-10; Isa. xi, 4; Rev. xix, 19, 20).

Remember how when Judas and his band came to arrest Him in the days of His humiliation and weakness He simply said, "I am," and they went backward and fell to the ground. Remember also that "by the word of the Lord were the heavens made and all the host of them by the breath of His mouth" (Ps. xxxiii, 6) and ask what you know of the power of His word in your own life—the power and wisdom of God. May He grant us according to the riches of His glory to be strengthened with might by His spirit in the inner man (Eph. iii, 16).

### CHRISTIAN ENDEAVOR

Prayer Meeting Topic For the Week Beginning July 2, 1911.

Topic.—Ways of serving our nation. Est. IV, P-17. (A patriotic consecration meeting.) Edited by Rev. Sherman H. Doyle, D. D.

One hundred and thirty-five years ago today a resolution declaring that the American colonies are and of a

right ought to be free and independent states was adopted by the Continental congress. Two days later, or on July 4, 1776, the formal Declaration of Independence was adopted by a unanimous vote. John Adams believed that July 2 would be observed as the anniversary of the declaration of American independence, but instead July 4 has become our great national holiday. It is the birthday of the nation and should ever inspire us with the true spirit of patriotism.

The true patriot will always be willing to serve his country. Where the love of country exists there will always be a desire to advance the best interests of the country at whatever risk or cost. The founders of our nation counted the cost, but so great was their patriotic devotion that they were willing to pay it, if necessary, to establish here a free and independent nation. The demand upon the beautiful Queen Esther that she risk her life in behalf of her people must have been a severe test of her love for them. Life could not but have been dear to her. She had everything to make it precious and worth keeping if she could honorably do so. She gave the matter serious consideration and finally decided to lose sight of self in the interest of her kindred and race. And, having come to this conclusion, she acted upon it. She risked her own life to save the life of her nation and thereby saved both. In this act we have an example of ideal patriotism. It is undoubtedly such a love of country that will lead us to sacrifice personal interest for the good of the nation. Selfishness has no place in true patriotism.

As suggestive of ways of serving our nation let us consider:

1. Piety and patriotism. To serve our nation we must exalt religion and do all in our power by example and precept to make morality and righteousness parts of our national life. Piety and patriotism must always go hand in hand. Love to God is the best and truest inspiration to love to our fellow men. National morality is as necessary as individual morality. "Righteousness exalteth a nation, but sin is a reproach to any people."

In our land we face many serious problems that can only be solved by the application of the principles of religion. The questions of political corruption, of the liquor traffic, of Sabbath desecration and many others of equal importance will never be solved satisfactorily until they are settled as God would have them settled. Everything that tends to apply the principles of religion to our national life will prove a blessing to the nation. In exalting religion therefore we will serve the nation.

2. Prayer and patriotism. God is the God of nations as well as of individuals. He raiseth up one nation and bringeth down another. In His hands are the destinies of all people. The name of God is not contained in the book of Esther, but His providential care of His people is written upon every page. The people fasted and prayed in their great desire for national deliverance, and God heard them. We should daily commend our nation to God in prayer. In no other way can we better serve the nation than by interceding for

of the Country, Federal Grand Jury  
at New York Has Returned 84 In-  
dictments Covering 35 Companies.

New York, June 30.—On the ground  
that they had offended against the  
Sherman anti-trust law in having  
formed nine pooling associations  
which were alleged to have acted in  
restraint of trade, eighty-four wire  
manufacturers, representing thirty-five  
companies, have been indicted by the  
federal grand jury. The American  
Steel and Wire company, one of the  
largest subsidiary concerns of the  
United States Steel corporation, was  
declared to have been represented in  
seven of the pooling associations, and  
its president, W. P. Palmer, was in-  
dicted seven times. The name of John  
A. Roebling Sons company appeared  
in eight indictments. On the list also  
are the General Electric company, the  
National Conduit and Cable company,  
the Standard Underground Cable com-  
pany, the American Horseshoe com-  
pany and the Hazard Manufacturing  
company. In the list of defendants ap-  
pear the names of Frank J. Gould, Ers-  
kine Hewitt, secretary of the embassy  
sent to London for Queen Victoria's  
jubilee; Herbert Satterlee, son-in-law  
of J. P. Morgan, who gets in because  
he is president of the Habershaw Wire  
company; Charles F. Brooker, vice  
president of the Ansonia Brass and  
Copper company and Republican na-  
tional committeeman from Connect-  
icut; Karl and Ferdinand Roebling;  
Edward S. Perot, who is president of  
the National Conduit and Cable com-  
pany. Frank Gould gets in on the  
score of his being president of the Old  
Dominion Iron and Nail works. Others  
are LeBaron C. Colt of Rhode Island  
and Edwin E. Jackson, Jr., a law-  
yer. Mr. Jackson was indicted nine  
times on the ground that he was su-  
pervisor of all nine pools. Ferdinand  
Roebling was named eight times and  
Joseph M. Marsh, president of the  
Standard Underground Cable compa-  
ny, was indicted six times.

**Practically Control Wire Industry.**

The indictments cover the whole  
field of the wire industry, including  
electrical cables, steel and copper  
wire, wire nails and horseshoes. The  
government alleges that the nine as-  
sociations controlled from 70 to 90 per  
cent of the business in their respec-  
tive departments.

The associations named in the in-  
dictments are the Wire Rope Manu-  
facturers, which controls 80 per cent  
of the wire rope business; the Horse-  
shoe Manufacturers' association, with  
70 per cent of the field in its pocket;  
the Weather Proof and Magnet Wire  
association, with 90 per cent; the Fine  
Wire association, which is said to have  
had 80 per cent of the business; the Cap  
Underground Power Cable asso-  
ciation, 50 per cent; the Lead Incased  
Rubber Cable association, 80 per cent;  
the Rubber Covered Wire association,  
80 per cent; the Telephone Cable as-  
sociation, 80 per cent, and the Bare  
Copper Wire association, 95 per cent.  
William P. Palmer, president of the  
American Steel and Wire company,  
was named in all of these except the  
Telephone Cable association and the  
Fine Magnet Wire association. The  
Roeblings were in all except the Horse-  
shoe Manufacturers' association.

The supervisor of all of these asso-  
ciations was Edwin H. Jackson, and  
it was said also that it was he who  
formed them.

Investigation of Lorimer Case.

**HINES BRINGS IN  
PRESIDENT TAFT**

Executive Was "for" Lorimer,  
Says Lumber Man.

**HAD THE WORD OF ALDRICH**

Testifying Before the Senate Committee Investigating the Lorimer Case, Edward Hines Says That Aldrich Brought Him Word That President Taft Favored Lorimer's Candidacy and Practically Forced His Election.

Washington, June 30.—President Edward Hines of the Edward Hines Lumber company of Chicago, told the senate committee which is investigating charges of corruption in Senator Lorimer's election that President Taft, through Nelson W. Aldrich, former senator from Rhode Island, had favored Mr. Lorimer's candidacy and had practically forced the election upon Lorimer.

At first Mr. Hines testified that President Taft and Senator Aldrich were merely in favor of breaking the senatorial deadlock in the Illinois legislature for five months, from January to May, 1910, by the election of a Republican senator. Later, he added, the president and Senator Aldrich must have obtained information that Lorimer was the only candidate upon whom the opposing factions could unite, and then they backed Senator Lorimer's candidacy.

Mr. Hines admitted that he had never seen President Taft personally, but that all his information in regard to the president's attitude had come from Senator Aldrich, who went to the White House late one night in May, 1909, shortly before the senatorial election, to discuss the Illinois situation with President Taft. The president himself has denied emphatically that he ever favored the election of Lorimer. He has said that efforts were made to draw him into the Illinois fight, but he had not gone further than to express the desire that a Republican be elected.

**Aldrich Called on Taft.**

It is charged that the unauthorized use of the president's name was a political trick of the Lorimer forces to insure Lorimer's election. "Senator Aldrich wanted me to go to the White House with him, to discuss the senatorial situation with President Taft," said Mr. Hines, "but I declined to go on the ground that my visit might embarrass the president. It was late in the evening and I went to Senator Aldrich's home, and waited until he returned about midnight from a conference with Mr. Taft at the White House. After Aldrich got home he told me that Mr. Taft was anxious to have the deadlock in the Illinois legislature settled and a Republican elected. Mr. Aldrich asked me to telephone Lorimer, who was at Springfield, and use my influence to persuade him to become a candidate for senator. I did so, and Mr. Lorimer wanted to know what the administration would do to aid in his election and what message I could send to him to show privately to Governor Deneen and others to confirm my message that the administration favored the election.

"I told him that Senator Aldrich had authorized me to tell him to have Governor Deneen call up Senator Aldrich on the long-distance telephone and President Taft if necessary, if Governor Deneen or anyone else doubted the attitude of the administration."

**Hines Version of Funk Incident.**

Mr. Hines denied the charge of Clarence S. Funk, general manager of the International Harvester company, that Mr. Hines had asked him for a contribution of \$10,000 from the harvester company to aid in paying the expenses of Lorimer's election. Mr. Hines gave his version of the conversation with Mr. Funk at the Union League club in Chicago, as follows:

"On the day after Senator Lorimer's election, I was sitting on a lounge in the Union League club in Chicago. I noticed Mr. Funk approaching and I got up and shook hands with him. He told me he was glad to hear of Senator Lorimer's election. I replied that in my opinion Mr. Lorimer would prove a good representative of the state. Mr. Funk said he would like me to arrange a meeting with Mr. Lorimer, and I told him I would be glad to do so. Mr. Funk then said that the election had probably put Mr. Lorimer to considerable expense and Senator Lorimer ought not to have to stand all of it. The business interests ought to take it off his hands. We would like to contribute to that expense. I said I did not know anything about that, but would let him know. We then parted."

Mr. Hines emphatically denied Mr. Funk's charge that Hines requested a contribution of \$10,000 from the harvester company. John J. Kilbride, who was the first manager of John L. Sullivan, the pugilist, was caught in an elevator at the courthouse at Boston and instantly killed.

President Taft has signed a proclamation opening lands within the Fort Berthold Indian reservation in North Dakota, embracing about 150,000 acres and lands within the Pine Ridge and Rosebud Indian reservation in South Dakota, embracing about 450,000 acres.

**Deneen's Plan Thwarted.**

Springfield, Ill., June 30.—The senate deep water bill, for the passage of which Governor Deneen called the special session, was killed in the house. By a vote of 58 to 47 a house joint resolution was adopted providing for adjournment to Oct. 2, thereby removing the last vestige of hope that the bill would be passed this summer.

## Economy Sale

Continues to draw the crowds. Such money-saving opportunities do not present themselves very often, and the people of this county are quick to grasp the chance to save several dollars on a single bill of goods. Prices are reduced in every department, so that you can economize on any purchase you may wish to make. We simply mention a few prices on shoes, as an example of what is being done to regular prices all over the house.

FRUIT VENDER  
STILL AT LARGE

Police Have no News of Ora Taylor Who Sold Outfit in This County.

## AN AFFIDAVIT HAS BEEN FILED

Communication is Had With Many Eastern Indiana Cities With no Results.

An affidavit was filed in the court of Justice Pryor Thursday morning against Ora Taylor, charging him with larceny in connection with the theft last Monday of the horse and spring wagon belonging to the proprietor of the Big Four livery barn, says the Shelbyville Democrat. The affidavit was made by Verna Shepple, one of the owners of the barn.

Nothing has been heard from Taylor since he left Rushville Tuesday for the East after having disposed of thirty dollars worth of fruit that had been intrusted to him by Samuel Cohen, the South Harrison street fruit merchant. At the time Taylor left Rushville he informed parties there he intended to go to Zanesville, Ohio.

The local officers have been making special efforts to have him apprehended before he gets out of the State with the stolen property, but so far their efforts have been of no avail. Chief Manlove said Thursday morning he had received no tidings of the fugitive since he left Rushville, though he had talked by phone with the police departments of many of the cities east of that place.

Narrowly Missed Judge Blair's Head.

## COURT IN PERILOUS PLACE

Alonzo Blair, judge of the Sixteenth Indiana Judicial district; ex-Judge K. M. Hord, Attorney E. K. Adams and ex-Sheriff John Butler, narrowly escaped meeting with what might have been a very serious, perhaps fatal, accident Tuesday evening of this week, but the information was not given out until Thursday, says the Shelbyville Republican. They were returning home from a fish fry in the evening in Mr. Butler's automobile, when they saw a farmer driving a mule hitched to a vehicle coming up the road. When the outfit was just opposite the automobile, the mule plunged over to the left side of the road and Butler, who was driving the machine, instantly turned it into the ditch and the mule kicked, missing Judge Blair's head less than six inches. Had the mule struck him he would doubtless have been killed. The presence of mind of ex-Sheriff Butler prevented the animal from doing any damage.

## ECK RETURNS HOME.

Edward Eck, who left St. Paul on September 24, last, for parts unknown, has returned. Eck left there under mysterious circumstances and it was alleged when he left that he had taken several dollars of his aunt's money with him. Eck has been staying at LaSalle, Colo., for some time. He will remain with his father, George Eck, for an indefinite period.

## Farmers Take Notice

It is being reported we will not be able to take in wheat on account of the work that is being done on Third street. We wish to say that this is a mistake, as the street is not torn up in front of our mill yet, and even when they do get to work on it, we have made arrangements, so that we can take care of your trade as usual, so when you start moving your wheat, don't forget us, as we will appreciate your patronage, and assure you the very best of treatment.
